

JURISMUS MEETING

Malaga 14-17 June 2018

WELCOME

Dear Participants, Dear Friends,

It is my great pleasure to welcome you to this year's Jurismus International Meeting. We are delighted to come together in a city, as beautiful as Malaga. With the fantastic help of our host, we were able to put together a programme full of networking, professional development, and discovery of the city. We want you to make the most of this three-day meeting. So go ahead and explore Malaga's wide range of leisure activities, cultural sights, parks, and the beach. Thank you all for choosing to attend this meeting and make it the experience we're hoping it will be.

I sincerely hope you will enjoy your stay!

Sven Farbrot

A panoramic view of the Dubai skyline at sunset. The sky is filled with vibrant orange and red clouds, with the sun low on the horizon. The city's skyscrapers are illuminated with warm lights, and their reflections are visible in the water of the Dubai Canal. The water is a deep blue, and the overall atmosphere is serene and modern.
